Christmas Jumper Day - Thursday 7th December

This Christmas Jumper Day is going to be the best one ever, so **it's super-important everyone feels included**. We know times are tough, and being the awesome people you are, you might be worried about how you can celebrate Christmas Jumper Day without anyone feeling left out.

Here are a couple of tips:

- Let everyone know NOT to bother buying a new sweater! They cost money and shopping is SOOOO boring. It's much more fun to grab any old thing from the back of the cupboard and cover it with stickers, felt, tinsel, glitter and baubles!
- Donating is optional (it's the having tons of fun that's mandatory!) and that any amount they can spare – 10p, 20p, 50p - makes them an awesome fundraiser.

We have signed up to a JustGiving page, which makes it super-easy for you to donate anonymously.
<https://christmas.savethechildren.org.uk/fundraising/CJD230028709> and the QR code and it will take you to the JustGiving page.

MEASLES

Don't let your child catch it

— get them vaccinated with the MMR vaccine

The number of young people catching measles has risen. It's never too late to be vaccinated. You need two doses of MMR one month apart to be fully protected against measles, mumps and rubella.

It's time to make measles a disease of the past.

If you have symptoms of measles, stay at home and phone your GP or NHS 111 for advice. STAY AWAY from GP surgeries and A&E departments — you could spread the illness to others.

Measles symptoms include: high fever; sore, red, watery eyes; coughing; aching and feeling generally unwell; a blotchy red brown rash, which usually appears after the initial symptoms.
