#### ✓ Aspect 5 - Alliteration

#### ✓ Aspect 6 - Voice Sounds

#### ✓ Aspect 7 - Oral Blending & Segmenting

#### ✓ Songs

#### ✓ Pre-Phase 2

#### ✓ Storytime

## Foundations Programme

Our Foundations Programme develops speaking and listening skills. Children learn to become attuned to the sounds and begin to develop oral blending and segmenting skills. This teaching lays the foundations for teaching of systematic synthetic phonics.

The government Phase 1 curriculum consists of 7 aspects. Each aspect contains 3 strands:

- Tuning into sounds (auditory discrimination)
- Listening and remembering sounds (auditory memory and sequencing)
- Talking about sounds (developing vocabulary and language comprehension)
