Online Safety

How can going online affect our wellbeing?

There are lots of positives for children being online, however there can be negatives too. For some it can become overwhelming trying to keep up with friends, and the pressure can mount.

Many things can impact our online wellbeing, and you can take control of the choices made to reduce any negativity. Being aware of the impact of being online, just like you would be aware of the impact of offline activities, is the first step to managing your children's online wellbeing.

We can:

- manage the content that our children see,
- manage how long they're online, in balance with other activities.

You can also email school if you have concerns about a child on Safeguarding@ashbrook-inf.derbyshire.sch.uk, this address is checked regularly. However, if you are concerned that a child is in immediate danger, you should contact the police.

Sunny Weather

Please ensure your child has a water bottle, sun-screen and sun hat at school. Sunglasses are not recommended due to the risk of breakage and injury.

Transition

We are approaching that time of year when we will start to welcome new children in to our nursery and reception class ready for September. Information regarding these sessions has already been sent to those new to us or moving from nursery to reception in September.

To accommodate this, all children in school will ‘move up’ on Thursday 9th July. This will also be one of the visit dates for children moving from us to Ashbrook Juniors. More information regarding next year will be available to you after the May Half Term holiday.
